Voorhees, I. W., Reminiscences of Dr. S. Weir Mitchell, 40

W

Wadhams, Brig. Gen. S. H., Salmon memorial meeting, 569
Ward, G. G., Obituary notice. Charles North Dowd, 544
Whipple, A. O., Acute infections of the gall bladder and biliary tract, 211
Williams, J. W., Clinical and pathological notes on puerperal infection, 260
Wood, F. C., Shibasaburo Kitasato, 545

SUBJECTS

A

Academy meetings, Proceedings of, 63, 162, 246, 317, 393, 475, 885, 927
Academy, Proposed new classification of membership in the, 153
Accessions to the Library, Recent, 59, 158, 241, 314, 390, 467, 541, 685, 776, 835, 881, 924
Acute infections of the gall bladder and biliary tract, A. O. Whipple, 211
Acute medical and surgical infections, Bacteriophage as a treatment in, F. d'Herelle, 329
Address. Committee on Public Health Relations, E. H. L. Corwin, 521
Address of welcome. Annual Graduate Fortnight, J. A. Hartwell, 865
Address, Presidential, J. A. Hartwell, 135
Afternoon lectures, Cancer as a complication of skin diseases, J. J. Eller, 635
—— ——, Diet in disease, E. F. DuBois, 502
—— ——, More common diseases of the teeth and jaws, Theodor Blum, 679
—— ——, On the nature of fits, Foster Kennedy, 221
—— ——, Therapeutics of ultraviolet light, A. F. Hess, 282
Air pollution on health, Effect of, 751
Alcohol, Resolutions on medicinal, 879
Allocation of dues, 157
Annual meeting of the Academy. Presidential address, J. A. Hartwell, 135
Appendicitis, E. H. Pool, 171
Artery disease including thrombosis, The treatment of coronary, B. S. Oppenheimer, 912
Artery disease, Some clinical features of coronary, R. L. Levy, 905
Art exhibit, 240
Award of Academy medal, Announcement of, 49
Award of Alexander Cochran Bowen scholarship, 464

B

Bacteriemia, Walton Martin, 185
Bacteriophage as a treatment in acute medical and surgical infections, F. d'Herelle, 329
Beaumont: his life and associations in Plattsburgh, N. Y., Dr. William, H. A. Houghton, 287
Beekman family, Two manuscripts from the, G. L. Annan, 306
Bestiaries, Herbals and (editorial), F. H. Garrison, 891
Biggs memorial lecture, Hermann Michael, 302
Biggs memorial lecture, Hermann Michael. The control of chronic diseases, G. H. Bigelow, 735
Biliary tract, Acute infections of the gall bladder and, A. O. Whipple, 211
Bindings, An exhibition of, Lesta Ford, 310
"Birth control," Relation of the medical profession to, 303

Bladder and biliary tract, Acute infections of the gall, A. O. Whipple, 211
Book Review, Introduction to medicine, F. H. Garrison, 285
—— ——, MacCallum's Halsted, F. H. Garrison, 34
—— ——, Two notable source-books, F. H. Garrison, 37
Bowen scholarship, Award of Alexander Cochran, 464
Brownne, Death of Mr. John S., 252
Brownne, John S., D. B. Delavan, 381
Building, Extension to Academy, 465

C

Cancer as a complication of skin diseases, J. J. Eller, 635
Carpenter lecture, The Wesley M. Annual Graduate Fortnight. Muscular pain in intermittent claudication, Sir Thomas Lewis, 871
Chronic diseases, The control of, Hermann Michael Biggs memorial lecture, G. H. Bigelow, 735
Circulatory system, An outline of the history of the (editorial), F. H. Garrison, 781
Classification of membership in the Academy, Proposed new, 153
Claudication, Muscular pain in intermittent. The Wesley M. Carpenter lecture. Annual Graduate Fortnight, Sir Thomas Lewis, 871
Clinical and pathological notes on puerperal infection, J. W. Williams, 260
Clinical features of coronary artery disease, Some, R. L. Levy, 905
Committee on Professional Standards, Extract from report of (Dr. Shirley W. Wynne), 50
Committee on Public Health Relations, Address, E. H. L. Corwin, 521
—— — —— —— ——, Effect of air pollution on health, 751
—— — —— —— ——, Relation of the medical profession to "birth control," 303
—— — —— —— ——, Remarks, C. L. Dana, 531
—— — —— —— ——, Report on necropsies, 533
Complication of skin diseases, Cancer as a, J. J. Eller, 635
Complications incident to inaccurate or delayed diagnosis in suppuration of the lungs and pleura, Col. W. L. Keller, 202
Control of chronic diseases, The, Hermann Michael Biggs memorial lecture, G. H. Bigelow, 735
Coronary artery disease including thrombosis, The treatment of, B. S. Oppenheimer, 912
Coronary artery disease, Some clinical features of, R. L. Levy, 905
Coronary disease, Electrocardiographic features of, H. E. B. Pardee, 908
Council in regard to Dr. Highman, Extract from the minutes of the, 234
Cultism, Science and, 831

D

Death of Mr. John S. Brownne, 252
Death of the Rev. J. H. Judson, Archibald Malloch, 53
Deaths of Fellows of the Academy, 69, 169, 252, 327, 399, 486, 547, 691, 780, 839, 890, 934
Bell, Frederick McKelvey, 69
Blosser, Roy, 169
Broder, Charles Bennet, 252
Burnham, Herbert Daniel, 169
Chamberlin, Carloss James, 691
Cohen, Joseph Bernard, 486
Dowd, Charles North, 486
Draper, John William, 169
Elliot, George Thomson, 839
Koch, Louis Adolph, 547
Lampe, Herman Ferdinand, 691
Lau, Frederick Talmadge, 327
Lobenstine, Ralph Waldo, 327
Mayer, Emil, 890
Munn, John Pixley, 780
Polak, John Osborn, 547, 691
Rayevsky, Charles, 69
Reilly, Thomas Francis, 169

Evans, Samuel Morley, 780
Field, Frank Hartmann, 169
Fiske, Arthur Lyman, 839
Fiske, Eugene Lyman, 547
Fitch, Allen, 547
Grattan, James Francis, 327
Haubold, Herman Arthur, 399
Kellogg, Theodore Harvey, 839
Mackenty, John Edmund, 934
Roberts, George Watson, 890
Santee, Harold Elmore, 69
Scott, George, 327
Shenier, Leo Hirshon, 169
Stark, Meyer Maurice, 547
Stowell, William Leland, 839
Thomson, Edgar Steiner, 69
Wight, Jarvis Sherman, 547
Wilson, Norton Luther, 934
Wilson, William Andrew, 934
Winter, Henry Lyle, 691
Demonstration of oxygen therapy, 238
DeVecchi, Dr. Paolo, 483
Diabetes, Recent contributions in diseases of the thyroid and, W. W. Palmer, 807
Diagnosis in suppuration of the lungs and pleura, Complications incident to inaccurate or delayed, Col. W. L. Keller, 202
Diet in disease, E. F. DuBois, 502
Disease, Electrocardiographic features of coronary, H. E. B. Pardee, 908
Disease including thrombosis, The treatment of coronary artery, B. S. Oppenheimer, 912
Disease, Some clinical features of coronary artery, R. L. Levy, 905
Diseases and parasitic infections in New York City, Tropical, F. W. O'Connor, 747
Diseases, Cancer as a complication of skin, J. J. Eller, 635
Diseases of the teeth and jaws, More common, Theodor Blum, 679
Diseases of the thyroid and diabetes, Recent contributions in, W. W. Palmer, 807
Diseases, The control of chronic. Hermann Michael Biggs memorial lecture, G. H. Bigelow, 735
Doctor, The continued education of the, J. A. Hartwell, 446
Dowd, Charles North, G. G. Ward, 544
Dues, Allocation of, 157

E

Ear, Infections of the middle, Isidore Friesner, 1
Editorial, Epitome of the history of Spanish medicine, F. H. Garrison, 589
——, Herbals and bestiaries, F. H. Garrison, 891
——, Outline of the history of the circulatory system, F. H. Garrison, 781
——, Romantic episode in the history of German medicine, F. H. Garrison, 841
——, Russian medicine under the old regime, F. H. Garrison, 693
Education of the doctor, The continued, J. A. Hartwell, 446
Elected, Fellows, 68, 169, 252, 325, 399, 889, 934
Electrocardiographic features of coronary disease, H. E. B. Pardee, 908
Epitome of the history of Spanish medicine (editorial), F. H. Garrison, 589
Equipment, Standards for oxygen therapy, 235
Exhibit, Art, 240
Exhibition of bindings, Lesta Ford, 310
Extension to Academy building, 465
Extract from report of Committee on Professional Standards (Dr. Shirley W. Wynne), 50
Extract from the minutes of the Council in regard to Dr. Highman, 234

F

Facts and fallacies concerning foreign protein and vaccine therapy, E. E. Irons, 412
Fellows elected, 68, 169, 252, 325, 399, 889, 934

Fever, Factors favoring the onset and continuation of rheumatic, H. F. Swift, 429
Fits, On the nature of, Foster Kennedy, 221
Fortnight, Annual Graduate, see Graduate Fortnight
Friday afternoon lecture series, see Afternoon lectures
Fuchs, Ernst, Obituary of, Arnold Knapp, 68

G

Gall bladder and biliary tract, Acute infections of the, A. O. Whipple, 211
German medicine, The romantic episode in the history of (editorial), F. H. Garrison, 841
Gifts to the Academy. A little medicine case, Archibald Malloch, 55
Graduate Fortnight, Annual, Acute infections of the gall bladder and biliary tract, A. O. Whipple, 211
—— ——, ——, Address of welcome, J. A. Hartwell, 865
—— ——, ——, Appendicitis, E. H. Pool, 171
—— ——, ——, Bacteriemia, Walton Martin, 185
—— ——, ——, Bacteriophage as a treatment in acute medical and surgical infections, F. d'Herelle, 329
—— ——, ——, Clinical and pathological notes on puerperal infection, J. W. Williams, 260
—— ——, ——, Complications incident to inaccurate or delayed diagnosis in suppuration of the lungs and pleura, Col. W. L. Keller, 202
—— ——, ——, Electrocardiographic features of coronary disease, H. E. B. Pardee, 908
—— ——, ——, Factors favoring the onset and continuation of rheumatic fever, H. F. Swift, 429
—— ——, ——, Facts and fallacies concerning foreign protein and vaccine therapy, E. E. Irons, 412
—— ——, ——, Infections of skin and the subcutaneous tissue, F. L. Meleney, 349
—— ——, ——, Infections of the middle ear, Isidore Friesner, 1
—— ——, ——, Infections of the oral cavity, H. S. Dunning, 14
—— ——, ——, Introductory remarks, Emanuel Libman, 868
—— ——, ——, Meningococcus infections including meningitis, W. W. Herrick, 487
—— ——, ——, Muscular pain in intermittent claudication. The Wesley M. Carpenter lecture, Sir Thomas Lewis, 871
—— ——, ——, Operative risks from infection, F. W. Bancroft, 110
—— ——, ——, Puerperal infections and their present therapy, J. O. Polak, 274
—— ——, ——, Puerperal mortality and its reduction, G. W. Kosmak, 255
—— ——, ——, Serum therapy, W. H. Park, 401
—— ——, ——, Some clinical features of coronary artery disease, R. L. Levy, 905
—— ——, ——, Treatment of coronary artery disease including thrombosis, B. S. Oppenheimer, 912
—— ——, ——, Upper respiratory focal infections in some of their regional and general manifestations, J. E. Mackenty, 71

H

Halsted, MacCallum's, F. H. Garrison, 34
Health, Effect of air pollution on, 751
Herbals and bestiaries (editorial), F. H. Garrison, 891
Highman, Extract from the minutes of the Council in regard to Dr., 234
History of German medicine, The romantic episode in the (editorial), F. H. Garrison, 841
Hospital Association, International, 834
Hours during the summer, 467

I

Inaccurate or delayed diagnosis in suppuration of the lungs and pleura, Complications incident to, Col. W. L. Keller, 202
Infection, Clinical and pathological notes on puerperal, J. W. Williams, 260
Infection, Operative risks from, F. W. Bancroft, 110
Infections and their present therapy, Puerperal, J. O. Polak, 274
Infections, Bacteriophage as a treatment in acute medical and surgical, F. d'Herelle, 329
Infections including meningitis, Meningococcus, W. W. Herrick, 487
Infections in New York City, Tropical diseases and parasitic, F. W. O'Connor, 747
Infections in some of their regional and general manifestations, Upper respiratory focal, J. E. Mackenty, 71
Infections of skin and the subcutaneous tissue, F. L. Meleney, 349
Infections of the gall bladder and biliary tract, Acute, A. O. Whipple, 211
Infections of the middle ear, Isidore Friesner, 1
Infections of the oral cavity, H. S. Dunning, 14
Intermittent claudication, Muscular pain in. The Wesley M. Carpenter lecture. Annual Graduate Fortnight, Sir Thomas Lewis, 871
International Hospital Association, 834
Introduction to medicine, F. H. Garrison, 285
Introductory remarks. Annual Graduate Fortnight, Emanuel Libman, 868

J

Jaws, More common diseases of the teeth and, Theodor Blum, 679
Judson, J. H., Death of the Rev., Archibald Malloch, 53

K

Kitasato, Shibasaburo, F. C. Wood, 545

L

Larrey and the "Académie De New York," Jean-Dominique, G. L. Annan, 921
Lecture platform, lay periodicals and the radio, Principles governing contact of physicians with the public through the press, 826
Library notes, Death of the Rev. J. H. Judson, Archibald Malloch, 53
—— ——, Exhibition of bindings, Lesta Ford, 310
—— ——, Gifts to the Academy. A little medicine case, Archibald Malloch, 55
—— ——, Hours during the summer, 467
—— ——, Recent accessions, 59, 158, 241, 314, 390, 467, 541, 685, 776, 835, 881, 924
—— ——, Request for minutes, 245
——, ——, Two manuscripts from the Beekman family, G. L. Annan, 306
Light, The therapeutics of ultraviolet, A. F. Hess, 282
Lobenstine, In memoriam, Ralph Waldo, G. W. K., 326

Lungs and pleura, Complications incident to inaccurate or delayed diagnosis in suppuration of the, Col. W. L. Keller, 202

M

MacCallum's Halsted, F. H. Garrison, 34
Manuscripts from the Beekman family, Two, G. L. Annan, 306
Medal, Announcement of award of Academy, 49
